Warmly invite you to a seminar for women at

Holy Trinity Church, Victoria Road, Aldershot, GU11 1SJ

Saturday 24th April 2010 9.30am – 1 pm

How to be a Secure Woman

with Lynn Penson from CWR

Who loves me? Who needs me? What's the point of my life? This seminar unfolds the principles of becoming a secure woman in God – whatever your stage of life or circumstances. Do you long to be a godly influence in your family, your church or your nation? Do you desire the spiritual strength to face intimidating events and circumstances with confidence rather than fear, doubt or despair? Down the ages women have felt their weakness, yet many have risen to great heights through God's resources. What might your role be in furthering God's purposes at such a time as this?

YOU WILL DISCOVER:

- The unsuccessful routes women take to find security
- The three most important elements that contribute to inner spiritual strength
- What to do when events and circumstances threaten to intimidate you
- How to develop an ever-increasing consciousness of how much you are loved by God
- How to improve your relationships with others
- How to remain strong and stable in the midst of life's storms
